Southeast Tech
SDPaSS Initiative Overview
EXECUTIVE SUMMARY

Purpose:
To provide the School Board information about the SDPaSS Initiative program between the Sioux Falls School District (SFSD), Southeast Tech and Dakota State University (DSU).

_____

The presentation will provide the School Board information about the Marketing programs at Southeast Tech, and introduce the principals involved. The Marketing programs include the core Marketing Program and emphases in either Sales or Marketing Design. The information shared will include data on the faculty, students and graduates of Southeast Tech, program details, student demographics and career/employer information. These programs are all two year AAS Degrees and allow for flexibility for double-majoring with other Business Degrees.

_____

Administrative Recommendation to School Board:
To acknowledge the Southeast Tech programs Overview Report.
