Students

Hazing

It is the goal of Southeast Technical College to maintain a safe learning environment for students and staff that is free from hazing. Hazing activities of any type are contrary to the educational goals of Southeast Tech and are prohibited at all times.

No student, instructor, administrator, volunteer, contractor or other employee of Southeast Tech shall plan, direct, encourage, aid or engage in hazing.

No instructor, administrator, volunteer, contractor or other employee of Southeast Tech shall permit, condone, or tolerate hazing.

Apparent permission or consent by a person being hazed does not lessen the prohibitions contained in this policy.

This policy applies to behavior that occurs on or off Southeast Tech property including student housing and which takes place before, during, and after school hours.

A person who engages in an act that violates school policy or law in order to be initiated into or affiliated with a “student organization” (see definition in Regulation JICFA-R/STI) shall be subject to discipline for that act.

Southeast Tech will act to investigate all complaints (formal or informal, verbal or written) of hazing and will discipline or take appropriate action against any student or other Southeast Tech staff who is found to have violated this policy.
