

Scholarship Brief

DocuTAP Scholarship Program

At DocuTAP, we're on a mission.

As one of South Dakota's fastest growing technology companies, we're on a mission to change the future for good. Since 2000, we have been challenging the status quo and improving the future of healthcare with our distinct urgent care software. We are proud of where we've been, but we never settle. To make a real difference, we know we need to be on the cutting-edge of technology, ideas, and new ways of thinking. That's why we want to hear from you!

DocuTAP is excited to award **five \$1,000 scholarships** to students who are on a mission to help shape the future of healthcare technology with us. Think you're up for the challenge? Read on to learn more about how to apply for one of the DocuTAP Scholarships.

How to Apply:

In 500-800 words, answer the following question in essay format: *How do you think technology should impact healthcare for good?* Once your submission is complete, please fill out the form on this page and paste your essay in the text field.

Eligibility Requirements:

- You must be currently enrolled in an accredited undergraduate program in the United States.
- Applicants must be 18 years or older and in good academic standing with their college or university.

Other Important Details:

- Deadline for submissions is December 31, 2016.
- Winners will be notified on January 13, 2017.
- 2017 scholarship program will begin on January 1, 2017.
- Essays will be judged based on clarity, creativity, and overall development/organization of ideas.
- DocuTAP Scholarships will support tuition, fees, books and other required expenses determined by your program, college, or university.
- Questions? Email scholarships@docutap.com, and we'll reply as soon as we can.

About DocuTAP

Headquartered in Sioux Falls, SD, DocuTAP's team of 300+ employees serves over 1,300 urgent care and on-demand primary care clinics. DocuTAP provides urgent care practices with an innovative approach to workflow management. Its flagship product, DocuTAP's EMR and Practice Management software, fully integrates practice management and electronic medical records capabilities in one complete system. DocuTAP's complete urgent care solution includes revenue cycle management services—along with DocuTAP Analytics, a business intelligence tool with custom reports and built-in industry benchmarks.
