### Personnel

#### Tobacco-Free Institute

Southeast Technical Institute is dedicated to providing a healthy, comfortable, and productive environment for staff, students, and citizens. STI believes that education has a central role in establishing patterns of behavior related to good health and shall take measures to help its students resist tobacco use. STI is concerned about the health of its employees and students. Therefore, STI shall promote non-smoking and non-use of tobacco products among its staff and students.

The use of tobacco and/or carrying any lighted tobacco product by STI employees is prohibited on STI property. This includes all enclosed indoor areas under the control of the STI including work areas, employee lounges and restrooms, conference and class rooms, hallways as well as STI grounds, parking areas, sidewalks surrounding buildings, and STI-owned vehicles.
