Student Conduct/ Discipline

Southeast Technical Institute will develop reasonable and necessary rules and regulations governing student conduct which are approved by the School Board and communicated to all students through the STI Student Catalog/Handbook. All students will be under the jurisdiction of these rules. STI has a responsibility to establish rules which will assist in (1) avoiding disruption of the school program; (2) preventing the invasion of the rights of others; (3) protecting school property; and (4) alleviating any clear and present danger to the health safety and welfare of the student body and the staff.

STI has the responsibility to maintain a suitable environment for learning, and the responsibility for maintaining and facilitating the educational program. The President or President's designee is authorized by the Board to impose discipline, including suspension or termination of a student.

Students shall be afforded a fair procedure in regard to imposition of discipline which includes the right to (1) be informed of conduct which could result in disciplinary action against the student; (2) notice of any rule violation; (3) explanation of the evidence supporting the charge; (4) an opportunity to present the student's side of the story; and (5) a penalty that is appropriate to the violation.
