

## **FY19 Budget Guidelines and Timeline**

### **EXECUTIVE SUMMARY**

**Purpose:**

To recommend to the School Board budget guidelines, timeline and process for the FY19 Budget.

---

The Higher Learning Commission (HLC) requires that institutions connect their budgets to the institutional mission and goals. HLC stresses the importance of open lines of communication, increased transparency, and the embracement of data-driven planning and evaluation and its impact on decision making.

HLC guidance also requires that the institution's resources, structures, and processes are sufficient to fulfill its mission, improve the quality of its educational offerings, and respond to future challenges and opportunities. Furthermore, HLC articulates that...

1. The institution engages in systematic and integrated planning.
2. The institution allocates its resources in alignment with its mission and priorities.
3. The institution links its processes for assessment of student learning, evaluation of operations, planning, and budgeting.
4. The planning process encompasses the institution as a whole and considers the perspectives of internal and external constituent groups.
5. The institution plans on the basis of a sound understanding of its current capacity and that institutional plans anticipate the possible impact of fluctuations in the institution's sources of revenue.
6. The institutional plan anticipates emerging factors such as technology, demographic shifts, and globalization.

The Administration of Southeast Tech has developed the proposed budget guidelines and timelines that embody the requirements of the Higher Learning Commission.

Internal and external stakeholders will begin their work in January. These stakeholders which are comprised of community representatives, faculty and staff from all levels, and administration, will submit recommendations to the President for consideration in late March.

Two public information sessions will be held in March and April of 2018 to allow for additional community review of budget recommendations prior to the Board's tentative budget adoption.
