

Southeast Technical Institute
Program Overview
Human Services
EXECUTIVE SUMMARY

Purpose:

To provide the Sioux Falls School Board information about the Human Services programs at Southeast Technical Institute.

The presentation will provide the School Board information about the Early Childhood Specialist Programs and the Law Enforcement Program at Southeast Tech and introduce the principals involved in the program. The presentation will include program details, student demographics, and career/employer information. Both programs offer a two-year Associate of Applied Science degree. The Early Childhood Specialist Program also offers a one-year diploma.

Administrative Recommendation to School Board:

To acknowledge the Human Services Program Overview Report.
