

Southeast Tech
Program Overview
EXECUTIVE SUMMARY

Purpose:

To provide the School Board information about the Pharmacy, Phlebotomy and Certified Nursing Assistant Programs at Southeast Tech, including information on faculty, and brief descriptions of the programs.

The presentation will provide the School Board information about the Pharmacy, Phlebotomy and Certified Nursing Assistant programs at Southeast Tech and introduce the principals involved. The presentation will include program descriptions and program outcomes. These programs provide an entry into the health care environment in a short amount of time.

Administrative Recommendation to School Board:

To acknowledge the Pharmacy, Phlebotomy and Certified Nursing Assistant Program Overview Report.
