

**Southeast Tech**  
Academic Affairs Update  
**EXECUTIVE SUMMARY**

**Purpose:**

To provide the School Board with an up on the Academic Affairs department.

---

The Academic Affairs department is changing its leadership structure. The new leadership organization will allow for more oversight as we add new academic programs and expand. With the addition of a third Dean of Curriculum and Instruction and Department Chairs all academic departments will be properly supervised and additional support in overseeing the quality of instruction.

---
