

2022 Annual Notice to Enrolled Students

Availability of Information

The Higher Education Act of 1965 (HEA), as amended, requires schools participating in the Title IV financial aid programs to provide an annual notice to students and employees disclosing a wide range of consumer information. The purpose of this information is to help students and employees make informed decisions regarding their education or employment.

The consumer information is organized into the following subject areas:

- Institutional Information
- Financial Aid Information
- Completion, graduation, transfer, retention, placement rates & student body diversity
- Annual Security and Fire Safety Reports
- Student and Parent Rights under the Family Education Rights and Privacy Act (FERPA)

The following pages describe consumer information and how students and employees can obtain that information.

The Annual Notice to Enrolled Students is published and distributed annually through email to all current students from the office of the President as well as linked online through [Southeast Technical College's Consumer Information](#) page. A paper copy of the annual notice will be provided upon request.

Availability of Employees

Southeast Technical College (STC) designates an employee or group of employees to be available on a full-time basis to assist enrolled and prospective students in obtaining the required consumer information related to financial assistance, information on STC, completion, graduation, transfer-out, retention rates, and STC security policies and crime statistics.

At STC you can contact any one of the following offices for more information:

- Office of Financial Aid
