

APPLICANT REQUIREMENTS

DIAGNOSTIC MEDICAL SONOGRAPHY

All application materials must be received by Feb. 1.

Pre-Health Program - Must be completed prior to starting prerequisite courses at Southeast Tech.

- Southeast Tech Application
- DMS Technical Standards
- Official High School Transcript/GED Certificate
- Official College Transcript(s) - *if applicable*
- ACT Scores: 20 or greater or SAT Scores 1030+
- TEAS-V Scores: Math - 62 or greater; Reading Comprehension - 73 or greater
(TEAS waived if ACT composite 20, Math 21, Reading 21, SAT 1060+ total, MATH 530+, ENGL 350+)

Upon successful completion of the above steps, pay \$75 non-refundable registration fee to Southeast Tech.

Prerequisite Course Requirements - These college-level courses should be completed or in progress at the time of application and are required before final admission into the DMS program.

- Student Success
- College Algebra
- Composition
- Anatomy and Physiology
- Medical Terminology
- Physics
- Certified Nursing Assistant (CNA)

Courses must be completed with a grade "C" or better. Official transcripts are required for courses not completed at Southeast Tech. Official course schedule and original letter from instructor indicating satisfactory progress are required for courses still in progress at the time of application.

Additional Requirements

- Drug Screen Results
- Criminal Background Check Results
- Three Non-related References
- Work/Volunteer Experience Form
- Course in Progress Form for each class in progress, if applicable

Application items will be evaluated and assigned a point value. Highly qualified applicants will be offered an interview after all admission requirements have been met. Submission of the application and completion of the requirements is not a guarantee that an individual will be granted an interview opportunity or be accepted into the program.

Final acceptance in the DMS program will be determined by the Admissions committee and DMS Program Director.
