School Board Governance and Operations

School Board Operational Functions

The School Board, functioning within the framework of laws, court decisions, attorney general's opinions, and similar mandates from the state and federal levels of government and recognizing the authority of the state, fulfills its mission as the governing body of a political subdivision by acting as follows in the execution of its duties:

- Enacts policy and shall concern itself primarily with broad questions of policy, rather than with administrative details. The application of policies is an administrative task to be performed by the Southeast Technical Institute President and his/her staff, who shall be held responsible for the effective administration and supervision of Southeast Tech.
- Provides for the planning, expansion, improvement, financing, construction, and maintenance of the physical plant of Southeast Tech.
- Prescribes the minimum standards needed for the efficient operation and improvement of Southeast Tech.
- Requires the establishment and maintenance of records, accounts, archives, management methods and procedures incidental to the conduct of Southeast Tech business.
- Approves the budget, financial reports, audits, major expenditures, payment of obligations, and policies whereby the administration may formulate procedures, regulations and other guides for the orderly accomplishment of business.
- Adopts programs of study.
- Provides staff and instructional aids.
- Evaluates the education program to determine the effectiveness with which Southeast Tech is achieving its educational purpose.
- Provides for the dissemination of information relating to Southeast Tech necessary for creating a well informed public.
